- 3.2. Proof of purchase of the floor must be presented to make use of the entitlements from the warranty. In addition, the Purchaser shall present a properly completed warranty card by the Seller.
- 3.3. It is recommended that the Product is installed by qualified professionals, who have the appropriate equipment and parquet laying knowledge.

## 4. Not covered by this warranty

- 4.1. When buying a product made from the natural raw material such as wood, the Purchaser should be aware of the possibility of minor visual variations between the natural wood colour, grain pattern, amount or natural characteristics of wood (such as knots, sapwood, color variation) as shown in the sample display or photographs included in the FREVINI marketing materials, and the products offered for sale. Colour variations resulting from the natural structure of the wood, and differences in the distribution or frequency of natural characteristics of wood between the FREVINI sample display or catalogue photographs, and the product bought by the Purchaser are not covered by the present warranty.
- 4.2. This warranty also does not cover:
  - a) damage due to abuse, misuse, accidents, insect infestation or force majeure, and other damage;
  - b) extend to purely visual impairments such as dents, gaps, colour variations due to light, deformations of flooring boards caused by seasonal or climatic conditions;
  - c) changes to the UV lacquer or UV oil layer or the surface layer of the Product resulting from normal use of the floor and natural wear and tear,
  - d) mechanical and chemical damage or scratches caused by cleaning, maintenance or use contrary to the Installation Instructions and the terms and conditions of use of UV lacquered or UV oiled floors, depending on the type of finishing of the Product's surface layer.
  - e) changes to the colour of the wood caused by the sunlight,
  - f) defects caused by improper installation or use of the floor in conditions inconsistent with those included in the Installation Instructions or the usage conditions for UV lacquered/ UV oiled floors,
  - g) a Product installed on a underfloor heating with parameters inconsistent with those stated in the Installation Instructions and underfloor heating instructions, if this has caused the damage,
  - h) missing filling in knot cavities in brushed floorboards which is characteristic of this type of finishing of the Product's surface layer,
  - i) for a Product which was installed despite being defective,
  - j) creaking of wooden floors resulting from the natural properties of the wood,
  - k) modification or repairs to the Product by the user if the work has not been agreed in writing with FREVINI,

l) mechanical damage caused during transport, except transport carried out by FREVINI or commissioned by him.

#### 5. Reporting defects

- 5.1. Claims should be submitted in writing or by email within one month of the defect appearing, describing the basis for the claim in as much detail as possible.
- 5.2. The claim may be submitted to the seller from whom the Product was purchased, or directly to FREVINI. The claim should include the documents in accordance with pt. 3.2 of this warranty (scans or copies of the documents), and as far as is possible also photographic documentation of the floor being claimed for.
- 5.3. In the event that the claim is submitted directly to FREVINI, it should be addressed to: UAB "Frevini", Televizorių str.4, Šiauliai, Lithuania or by email to sales@frevinistudio.com

#### 6. Complaint procedures

- 6.1. In order to verify the validity of the complaint, FREVINI reserves the right to inspect the floor being claimed for at the location where it is installed or stored at a previously agreed time.
- 6.2. The claim will be resolved within 5 weeks of being submitted to FREVINI. In the event that it is necessary for an inspection to be conducted at the Purchaser's premises, the claim will be resolved immediately after this, but no later than 5 weeks after completion of the inspection.
- 6.3. FREVINI will provide information in writing or by email about the manner in which the claim is to be dealt with.
- 6.4. In the event that the claim is considered valid, FREVINI may choose to:
  - replace the faulty product with a product free of defects of the same value,
  - rectify the defects discovered free of charge,
  - pay financial compensation in the event that it is impossible to rectify the defect, or that this would involve inordinate costs considering the value of the fault-free Product and the type and seriousness of the fault discovered.
- 6.5. The warranty period is not extended by a warranty claim. Claims under the warranty expire six months from the date of Seller's receipt of the customer's written complaint, but no earlier than the expiry of the warranty period.
